Just renovated, 3 bedroom, 2 bathroom villa with pool overlooking the bay. This is a beautiful, just renovated house on the hills surrounding Port de Soller. This house enjoys spectacular views to the bay and its surroundings and complete privacy yet it is only an 8-minute walk to the promenade and beach. Renovated this winter, this house features an all-new modern interior, new complete bathrooms and kitchen, and all-new furniture. You will find three nicely-sized bedrooms, all with views to the bay and with ample storage areas. Both bathrooms are large and also completely new, finished in impeccable white-angled tiles. The open living room-kitchen area is over 40m<sup>2</sup> with access to the front terrace to enjoy the views. The kitchen itself features an island for easy breakfast and all new appliances, cutlery, dishes, etc.
