Fantastic, modern property set on the hills of the Puerto de Sóller. This villa boasts three bedrooms and four bathrooms with a large living room and kitchen along with three terraces and a wooden deck overlooking the Port of Sóller area.

This home is all new construction with all-new furniture and modern design as well as all kinds of modern amenities.

The swimming pool is at the lower level of the house and it is surrounded by a terrace and a wooden deck where you can sunbathe under the olive trees. There are also a number of fruit trees on the property.
